

Selectmen lose Yardage

TOWN MEETING DATE NOW NOV 21

The Wilmington High School Football team won an unscheduled contest Monday evening, when the Selectmen, by a three to one decision, voted to change the date of the coming Special Town Meeting to that of Nov. 21 at 1 p.m.

The meeting had been set for one week earlier, in the mistaken belief that there was no football game scheduled for that date - but there was. Wilmington plays at Billerica on that date.

So quietly, without fanfare, the Selectmen changed the date of the Town Meeting to one on which there will be no football game. But - let it be noted - November 21 is a 'make-up' date for the Wilmington High School squad. The Selectmen may have to make another change.

Chairman Bruce MacDonald told the Board that he had received several phone calls about the Special Town Meeting date. It seems there's an out-of-town football game that afternoon at Billerica, he explained. He then suggested postponing the meeting to November 21.

PAGE TWO

CAN YOU BELIEVE MY REPUBLICAN OPPONENT?

HE SAYS HE IS AN UNPOLITICIAN --

When in fact he is a well used Republican political appointee

- 1964 - appointed personal aid to Republican Lieutenant Governor
- 1965 - appointed as Republican fund raising committee chairman
- 1966 - Unsuccessful Republican candidate for State Auditor
- 1967 - Appointed - then FIRED, as deputy chairman of Republican State Committee (Boston Herald-Traveler, March 28, 1967)
- 1970 - appointed Sheriff by Republican Governor.

HE SAYS HE HAS LIBERAL SUPPORT

In a Press Release issued from his office and published in The Lowell Sun of October 19, 1970, he claimed that the A.D.A. (American for Democratic Action) had endorsed his candidacy - they did not - Even though he had asked for their endorsement, Attorney Paul G. Counihan of Concord, and Attorney Paul Menton of Watertown, members of the A.D.A. said that, "This was a deliberate attempt to deceive the voting public" and as a result, publicly endorsed JOHN F. DEVER

HE CLAIMED TO BE CONCERNED ABOUT THE DIGNITY OF THE INMATE

When in fact Mr. Buckley stated in the Boston Record-American of August 12, 1968 that "rather than send someone to an institution, how about wifing him - whereby the person can be monitored twenty-four hours a day."

HE CLAIMED TO BE A PROFESSIONAL PENOLOGIST

When in fact on October 26, 1970 the Executive Board of the Union of Correctional Officers at the Billerica House of Correction stated, "We have had strikes, sit-in demonstrations and escapes, and the Sheriff has said nothing to the news media about these."

HE CLAIMED TO BE IN FAVOR OF IMPROVING STANDARD OF POLICE

When in fact Buckley supported Governor Volpe's veto of the bill that would have guaranteed a minimum salary of \$7,500 to all full-time policemen. Speaking on WBZ "Newsmaker 1968" radio program, he said, "We're not going to raise every police officer just because he is on the police force."

HE CLAIMS TO HAVE REPLACED DEPUTY SHERIFFS WITH AGED PENSIONERS AND LAW STUDENTS

When in fact - just to cite four examples, he has appointed as Deputy Sheriffs:

- JOHN CAHILL - Special Sheriff - Defeated Republican Nominee for Sheriff
- JOSEPH ALBIANI - Defeated Republican Candidate for County Commissioner
- RALPH BENS - Defeated Republican Nominee for County Commissioner
- PAUL ROBINSON - Defeated Republican Candidate for State Representative.

YOU CAN BELIEVE JOHN F. DEVER, JR. - Democratic Nominee for Sheriff.

Signed Attorney Frederick J. Connors

Sorry Folks - He Didn't

OUT OF TOWN NEWSPAPER PHOTOGRAPHERS, lined up along the sideline of the Wilmington field last Saturday, to photograph Mike Esposito's breaking of the Massachusetts high school scoring record. His first touchdown, only moments after the game had started, was believed to have done this - and it was so announced, when he had a total of 391 points.

But later the realization came that Espo had not broken the school-boy record. The only record he broke was that of Jackie Bowen, made in 1962, for Wilmington high school players.

Espo still has to break the record of Steve Chew of Masconomet who scored a total of 424 career points, and he is short of the three year record of Dick Jauron of Swampscott, by 26 points.

Espo, Wilmington fans can note, still has four games to play, and he well may break all records before the season is over.

Professor Eliot's School Site Report

A tenpage report on proposed school building sites was presented to the Planning Board Tuesday night by the Board's Planning Consultant, Prof. Charles Eliot. There were no earth-shattering recommendations.

Prof Eliot's report had been requested by the Planning Board in preparation for the up-coming Special Town Meeting at which time voters will be asked to endorse the acquisition of the Roberts Estate for a new high school.

The three sites in the report include, the present high school property, the Allen property on Woburn Street and the Roberts Estate.

In comparing the properties, Prof. Eliot makes referent to the General Plan Report of June, 1970 in which the recommendations for school sites were based on a plan developed for the School Committee in August, 1968 by John Miller of Hill and Associates.

The recommendations set down in the first report included adding to the present high school, constructing a new intermediate school and phasing out, West, Center, Buzzell, Swain, Walker, Whitfield and the Mildred Rogers Schools.

The last of these has since been converted for use by town committees.

This course of planning was pursued

PAGE NINE

TOWN CRIER PRICES INCREASE NEXT WEEK

Because of the ever increasing prices with which the Wilmington News Company must cope, the price of the Town Crier is to be increased next week, the first week in November.

The news-stand price is to be 15c, and the yearly subscription price to be \$5 for Wilmington, and \$6 for out of town subscribers.

The annual January First subscription date will still continue, with a \$1 reduction in price to those who pay their subscriptions in January without being billed.

School Committee

For those who have never observed negotiations for collective bargaining, the school committee meeting last Thursday was a revelation.

After a brief Superintendents report, a letter was read as part of the correspondence on the agenda. The letter stated the disapproval of the Wilmington Teachers Association on the hiring of William Fay, Jr. as Principal of the North Intermediate School. The letter stated that an elected official who resigned to take a position that may have come up as regular business was in effect abusing his privilege. There is no incentive, then the WTA felt, for teachers in the system to apply for these positions.

After the letter was read, members of the Wilmington Teachers Association and their negotiator met with the School Committee to discuss future collective bargaining sessions.

Walter McNamare, member of the School Committee, asked Kay Barry, President of the WTA and the nego-

PAGE TWELVE

Wilmington's Representative Race

The people of Wilmington, for the past few weeks, have been presented their first spectacle of a race for the House of Representatives involving two Wilmington citizens - Rep. Fred F. Cain (D) and Selectman James R. Miceli (R). The contest is to be decided next Tuesday, at the polls, which will be open from 6 a.m. to 8 p.m. in the High School.

Betting at the present moment, in Wilmington - well, in order to be non-political the Town Crier will report on this phase next week. The betting is in favor of one of the candidates, it can be said, although this may sound rather platitudinous.

Two events have livened up the past few days.

The first is a threat by Rep. Fred Cain to sue Selectman Miceli for an alleged breaking of the laws regarding political advertising. Cain, at a party held at Rocco's Restaurant on Monday evening read a copy of a letter sent to Mr. Miceli, to the assembled crowd. Miceli, it seems, is ignoring the threat.

More exciting is the possible non-action by the Board of Selectmen over an item that can possibly mean \$73,000 for the town's treasury.

Rep. Cain has a commitment for a transfer of that sum of money from the Nichols Street Bridge Surplus Account to a Road Repairs Account for Nichols Street. But an application has to be made to the County Commissioners by Friday morning. Such applications are ordinarily signed by the Board of Selectmen.

The Selectmen have received the application, which Mr. Cain is to put in the hands of the County Commissioners by Friday. But the Selectmen are not announcing their decision until that day.

The Selectmen possibly believe that they are being non-political, but Mr. Cain has taken the precaution of having five citizens sign an application to the County Commissioners, in order to be certain that the money is not lost to Wilmington.

WHEN A FENCE IS NOT A FENCE: For several years a Carter Lane resident kept after the Selectmen to build a fence between the West Intermediate School and the Boutwell School, because, he said, youngsters were making a 'drag race' out of the area.

So the fence was built, showing the power of persistence by one individual on a Board of Selectmen.

And what happened?? The kids are simply driving around the fence!

35 Years Experience

A two hour discussion then followed concerning school zones, sidewalks and traffic control signals. On hand to answer questions from residents and Selectmen were Police Chief Paul Lynch and newly appointed Safety Officer, John Ritchie.

Chief Lynch told the Board that he and Officer Ritchie had conducted a traffic study last week at the intersection of Shawsheen Avenue and Hopkins Street.

According to figures supplied by Ritchie, more than 400 vehicles were counted passing through the intersection during a forty-five minute period last Wednesday morning. The time period was from 8 a.m. to 8:45 a.m. on each of the three mornings. The study was also conducted afternoons when school children were returning to their homes.

Officer Ritchie also reported that there were six reported accidents at the intersection in the past year, three of which resulted in personal injury.

Asked whether he thought the figures indicated a need for traffic control devices, Chief Lynch said: "I might say yes while the state may say no." He suggested that the problem be investigated further before buying traffic lights.

"Do we want a mechanical set of lights on a timer or actuated by a car's weight on a treadle, or the human touch of a traffic supervisor?" he asked.

The Chief also explained that unmarked cars are often used with out-of-uniform officers for police surveillance work so as not to inhibit speeders which is why Ballardvale Street residents haven't seen any signs of 'radar traps' on their street as requested some weeks ago.

Mrs. Ann Linnehan of Radcliff Road turned the subject to sidewalks by presenting the Selectmen with several posters made by elementary school children. The posters, some in the form of traffic signs, and some showing a certain amount of parental or other guidance in their artwork and wording, all called for sidewalks and lower speed limits in school zones.

Mrs. Linnehan remarked that 'we (the town) can have traffic lights, can lower the speed limits, if we so desire.' Her remark was in regard to a statement by D.P.W. Engineer Arthur

Laing two weeks ago that there were stipulations involved in obtaining official school zones.

The Town Manager replied saying 'speed limits are established by the D.P.W.' and he was backed-up by Chief Lynch who explained that 'lights, signs, everything, must be approved by the D.P.W.'

The Chief agreed, however, that sidewalks are the 'biggest problem, the biggest need around elementary schools.'

The much discussed sidewalk issue, as explained by Selectman Backman, goes back to last Spring's Town Meeting when voters refused to endorse the Town Manager's proposed sidewalk project.

Prior to the meeting the Town Manager had received two petitions with a total of 256 signatures requesting sidewalks on Shawsheen Avenue. But only seven townsmen voted in favor of the proposal at the Town Meeting.

The sidewalk plan asked for \$50,000 to begin sidewalk construction and was unanimously backed by the Selectmen.

'The first step for funding,' said Backman, 'is for the voter to go to Town Meeting and vote it, which is something the Town Manager has been saying ever since the issue came up several weeks ago.'

Chairman MacDonald had already asked the Board to write the D.P.W. in an attempt to clear up the matter of traffic control signals. 'We'll find out once and for all if we can have traffic signals,' he said. 'We'll send a letter to the D.P.W. tomorrow.'

Chief Lynch also recommended that action be taken concerning trucking over the Route 129 bridge. He noted that heavy trucks and buses often exceed the bridge weight limit and said he would take steps to have the situation corrected.

'Don't let the survey end here,' the Chief added. 'John Ritchie has just been appointed Safety Officer and he's available to come out and talk with you about the problem.'

Chief Lynch said he was available as well to personally check on traffic situations and invited the residents present to get in touch with him about problems in their area.

In other business, Lewis C. Keller of Kelmor Realty Trust, Boston, and Attorney Ralph Bagley representing W.F. Buckley were present to answer questions concerning a pro-

PAGETWELVE

INVITATION FOR BIDS

The Shawsheen Valley Technical High School solicits bids for snow removal, section 27 and trash removal, section 28. Sealed bids will be received at the office of the Business Manager, 100 Cook Street, Billerica, Massachusetts, 01866, on or before Monday, November 2, 1970, prior to 10:30 a.m. At that time such bids will be publicly opened. Bid envelopes shall be plainly marked on the outside with the name of bidder, section number and title of section bid.

SNOW REMOVAL - SECTION 27

The work consists of insuring safe and certain access to all areas of the School during and after snow and ice storms. Such areas include approximately 3/4 mile of driveways and parking areas consisting of paved roads. The term of this work shall be from November 1, 1970 to April 15, 1971.

Bids should include a complete description of the kind and number of vehicles available plus hourly rental rates for both snow removal and sanding, together with the cost of sanding compound. Criteria for the origination of such work, for example depth of snow, should also be indicated.

TRASH REMOVAL - SECTION 28

The work will involve the disposal of waste. This will probably, but not necessarily, involve a container capable of holding waste for one week. Specifications should include the capacity of the container, the rental of the container and the price set for pick-up, emptying, washing, and sterilize said container. The duration of this contract will be at least one year from date of issue.

School Committee reserves the right to reject any or all bids and to accept that bid deemed in the best interest of the District.

Signed: Kenneth Buffum, Chairman
Shawsheen Valley Regional Vocational Technical School District

WHERE TO BUY

When hunting for a house, you may find more than one you like. How does the househunter determine a suitable area? What should you look for?

First, consider whether your likes and interests are compatible with the atmosphere of the neighborhood.

Are you a person who likes a busy life with community activity? Then you might prefer a suburban community. Children almost always find playmates in suburban areas.

Do you prefer an individualistic way of life? Then an older house in an established community may probably prove best for you. These houses are also usually closer to theatres and museums.

Your broker has houses of all

types and sizes in many different locations. Consult with him when you are ready to consider your next residence.

Wildcats Roll

Paced by Mike Esposito's record-breaking scoring Coach Bellissimo's eleven topped Burlington, 41-0 last Saturday afternoon for the varsity's fifth straight seasonal win.

The stage is set for this week's showdown at Chelmsford with the Lions sporting a 4-0 record, the only other unblemished record in the conference after Dracut's 36-16 upset win over Billerica. In other league games, Methuen edged No. Andover, 12-6 and Tewksbury stopped Andover, 7-6.

The Wildcats wasted no time in setting the pace in Saturday's encounter with the Red Devils as they scored the first time they had the ball. Following Jim Irwin's seven yard return of the opening kickoff to the Wilmington 40, it took only four plays to cover the remaining 60 yards and a touchdown. A pair of passes by Bill Gustus to Dick Gillis, 16 yards, and Irwin for 29 yards set the varsity up with a first down on the 16 and Esposito took a pitch from Gustus and rambled off tackle and into the end zone for the initial score of the game and a new state scoring record. Esposito booted the PAT and at 1:18 the Wildcats led 7-0.

Burlington was unable to move the ball on the ensuing kick off and following a Red Devil punt, the Big Blue Machine scored again. The drive started on the Burlington 35 with an excellent 40 yard punt return by Esposito from his own 25. Six plays later at 4:48, it was 14-0 as Gustus fired his seventh touchdown pass of the season to Dick Gillis and Esposito converted. Key plays in the drive were a 12 yard run by Gillis and a 14 yard delay up the middle by Esposito along with an 8 yard pass by Gustus for the score.

On the ensuing kickoff, Burlington did not field the ball and Steve Catalano alertly caught the free ball in mid-air at the Red Devil 31 and Wildcats were knocking on the door again. Five plays later at 6:40, Gustus hit Smallidge in the endzone for the third Wil-

lington touchdown. Rick made an excellent diving catch for his second 'td' of the season. It was Gustus' second completed pass in the drive as he earlier tossed a 16 yard completion to Dick Gillis.

Following a pass interception by Dick Gillis and an exchange of punts, the Wildcats took over at their own 37. A five yard penalty pushed the Wildcats back to the 32 where on the next play Esposito busted off tackle for a 68 yard gallop for the fourth Wildcat score. Mike's placement was perfect and with 48 seconds gone in the second stanza the varsity had a commanding 28-0 lead. Neither team was able to put a sustained drive together in the remaining time of the second period as Burlington punted twice and Wilmington once.

In the early minutes of the second half the conference leaders struck again. Burlington was unable to move the ball following the second half kick off and the stubborn Wildcat defense forced a Red Devil punt to the Burlington 41. On the first play, Gustus hit Esposito with a 37 yard pass and run completion to set the Wildcats up at the Burlington 4. Two plays later, Esposito dove in from the one for his 15th touchdown of the year and the fifth of the game for Wilmington. Esposito's placement was perfect and the lead was 35-0 at 2:27 of the third period.

Leo Campbell recovered an errant Burlington fumble on the next series of plays following Esposito's kickoff setting the Big Blue Machine up with excellent field position at the Red Devil 33. Steve Catalano took over the controls from Gustus and with a back field of John Gillis, Art Bibeau, and Sid Tildsley, moved the ball down to the 15 before being stopped by a depressed Burlington defense. Two plays later, Bob Conlin recovered a Burlington fumble at the Red Devil 26, but the Wildcats were unable to move the ball beyond the 18 and Burlington took over.

The Wildcats second defensive unit paced by Ray Ventura and Jim Ritchie forced the Red Devils to punt out after gaining only five yards on a pair of running plays and an incomplete pass. The Wildcats paced by Catalano's passing.

The sixth Wilmington score came on a one yard plunge by Gillis to cap a six play march with the key play in the drive a 31 pass reception by Stygles at the one. A pass attempt from Catalano to Tildsley for the two punt conversion was incomplete.

On the next series of plays, Jim Ritchie alertly fell on an errant Red Devil fumble at the Burlington 32 to set the Wildcats up again in great field position. Coach Bellissimo's third field back was unable to move the ball and Ray Noel punted into the end zone from the thirty. Burlington moved the ball from their own 20 to the 37 before being halted again.

With Steve Coursey at quarterback and a backfield on John and Richard Barry and Ray Noel, the Wildcats ran out the clock putting together at seven play march down to the Red Devil 26.

Esposito's 23 point day gives him a career total of 391. He needs 35 to break the all-time state record of 424. Thus breaking ex-Wildcat star Jack Bowen's 110 set back in 1962.

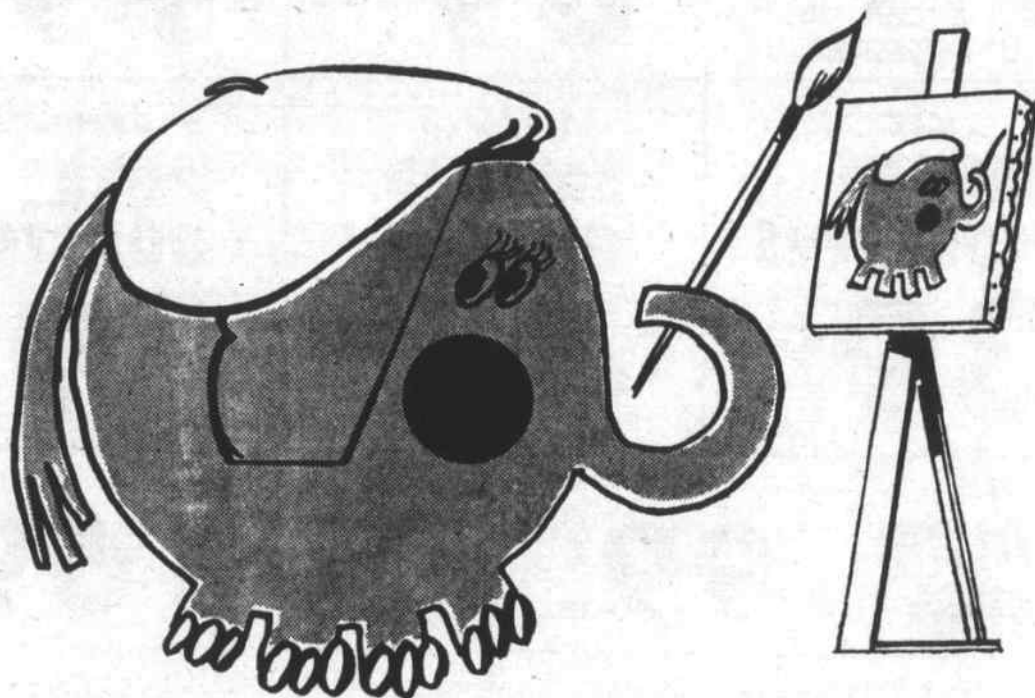

In game statistics, Gustus was 9 for 12 and 182 yards and his two 'td' passes gives him a league leading 8 for the season. Catalano hit on four of five attempts for 40 yards. Dick Gillis caught 5 passes for 103 yards his best day ever in pass receiving while Esposito netted 106 yards on the ground in 11 carries.

POP WARNER FLAG FOOTBALL

The Mad Dogs had little trouble with the Hot Shots on the way to a 22-6 win. Rich Russo led the way for the Mad Dogs with 12 points, followed by Paul Crescetelli with 6 and Chris Rounds with 4. John Fahey scored the lone Hot Shot touchdown.

Rounding out the action, the Packers held off a determined Mad Dog team on the way to a 25-14 win. Dan Burns scored 19 of these points including a

Selectman James R. Miceli
11 Webber Street
Wilmington, Massachusetts

Dear Jim:

I have been enormously impressed by the vigorous campaign that you have been waging for election as Wilmington's representative to the Massachusetts House of Representatives.

These are very crucial times, and our government needs people like you whose primary interest is service to the citizens you represent.

I have always enjoyed working with you in the past, and I am confident that if you and the scores of citizens who are actively supporting your candidacy maintain the pace you have already established, you will win decisively on November 3rd.

Sincerely yours,

/s/ Brad Morse

REPUBLICANS FOR CAIN

We are Registered Republicans of the Town of Wilmington. We feel that the interests of our community come before partisan politics.

Representative Cain's record of achievement places him in a position above partisan politics. We would fail in our responsibilities to our town if we did not support, and urge you to support the re-election of Representative Fred F. Cain on Tuesday, November 3rd.

BOSTON & MAINE

The Commonwealth of Massachusetts

JOHN F.X. DAVOREN
SECRETARY OF THE COMMONWEALTH

Boston, October 6, 1970

I certify that the following is a list of all the candidates duly nominated to be voted for in the Seventh Middlesex Senatorial District, November 3, and the form of all questions to be voted on at said election.

SENATOR IN CONGRESS. VOTE FOR ONE

Edward M. Kennedy, 3 Charles River Square, Boston, Democratic
Josiah A. Spaulding, Proctor St., Manchester, Republican
Lawrence Giffedder, 21 Field St., Maynard, Socialist Labor
Mark R. Shaw, 114 Trenton St., Melrose, Prohibition

GOVERNOR AND LIEUTENANT GOVERNOR. VOTE FOR ONE

Sargent and Dwight, Republican
White and Dukakis, Democratic

GOVERNOR. VOTE FOR ONE

Henning A. Blomen, 25 County St., Ipswich, Socialist Labor
John Charles Hedges, 48 Linden St., Needham, Prohibition

LIEUTENANT GOVERNOR. VOTE FOR ONE

Albert E. Bates, 401 Putnam Av., Cambridge, Prohibition
Francis A. Votano, 95 Park St., Lynn, Socialist Labor

ATTORNEY GENERAL. VOTE FOR ONE

Donald L. Conn, 62 Country Club Rd., Melrose, Republican
Robert H. Quinn, 32 Auckland St., Boston, Democratic
Willy N. Hogseth, 8 Hemingway Rd., Saugus, Socialist Labor

SECRETARY. VOTE FOR ONE

John F. X. Davoren, 180 Purchase St., Milford, Democratic
Mary B. Newman, 5 Willard St., Cambridge, Republican
Murvin A. Becker, 5 Argyle St., Melrose, Prohibition
Edgar E. Gaudet, 16 Woodlawn St., Lynn, Socialist Labor

TREASURER. VOTE FOR ONE

Robert O. Crane, 7 Mountview Rd., Wellesley, Democratic
Frederick D. Hannon, 83 Greenacre Rd., Westwood, Republican
John B. Lauder, 38 Barrett St., Revere, Prohibition
Roy K. Nelson, 180 Washington Av., Needham, Socialist Labor

AUDITOR. VOTE FOR ONE

Thaddeus Buczek, 47 Butler St., Salem, Democratic
Frank P. Bucci, 150 Liberty St., Braintree, Republican
Raymond J. Gray, 30 Williams Av., Lynn, Socialist Labor
Roger I. Williams, 151 Uncatena Av., Worcester, Prohibition

CONGRESSMAN. VOTE FOR ONE

FIFTH DISTRICT

F. Bradford Morse, 476 Beacon St., Lowell, Republican

QUESTIONS

IN ALL CITIES AND TOWNS

QUESTION NO. 1

PROPOSED AMENDMENT TO THE CONSTITUTION

Do you approve of the adoption of an amendment to the constitution summarized below, which was approved by the General Court in a joint session of the two branches held July 15, 1968, received 155 votes in the affirmative and 98 in the negative, and in a joint session of the two branches held May 14, 1969, received 147 votes in the affirmative and 119 in the negative?

YES
NO

SUMMARY

The proposed amendment to the Constitution authorizes the Legislature to classify real property according to uses, and authorizes the assessment, rating and taxation of real property at different rates in the different classes so established, but proportionately in the same class. The amendment further authorizes the granting of reasonable exemptions and abatements.

QUESTION NO. 2

PROPOSED AMENDMENT TO THE CONSTITUTION

Do you approve of the adoption of an amendment to the constitution summarized below, which was approved by the General Court in a joint session of the two branches held October 9, 1967, received 237 votes in the affirmative and 0 in the negative, and in a joint session of the two branches held May 14, 1969, received 262 votes in the affirmative and 4 in the negative?

YES
NO

SUMMARY

The proposed amendment to the Constitution abolishes the requirement that in order to vote in a state election a person must have resided within the Commonwealth one year. If amended, the Constitution would require only that a voter have resided six months in the town or district in which he claims a right to vote.

QUESTION NO. 3

PROPOSED AMENDMENT TO THE CONSTITUTION

Do you approve of the adoption of an amendment to the constitution summarized below, which was approved by the General Court in a joint session of the two branches held October 9, 1967, received 142 votes in the affirmative and 102 in the negative, and in a joint session of the two branches held May 14, 1969, received 222 votes in the affirmative and 49 in the negative?

YES
NO

SUMMARY

The proposed amendment to the Constitution reduces the minimum age for voting in a state election from twenty-one to nineteen.

QUESTION NO. 4

PROPOSED AMENDMENT TO THE CONSTITUTION

Do you approve of the adoption of an amendment to the constitution summarized below, which was approved by the General Court in a joint session of the two branches held July 15, 1968, received 181 votes in the affirmative and 66 in the negative, and in a joint session of the two branches held May 15, 1969, received 208 votes in the affirmative and 54 in the negative?

YES
NO

HALLOWEEN PARADE

The Horribles Parade will be held on Halloween Night on Saturday at 6:30 pm.

All residents of the Town of Wilmington, young or old, are asked to join in the fun.

The Parade will form at the Police Station on Adelaide Street. Church Street will be closed to all traffic to the end of the Common at 6:30.

The Parade will proceed from the Police Station to the High School Tennis Courts.

Chief Marshall Arthur Spear will line up all in the Parade.

Men from all organizations in the Town will act as parade marshalls along the route to protect all while marching. Judges will award the prizes.

Refreshments will be served to all in costume.

Winners after receiving awards will then go from the tennis courts to the high school parking area where refreshments will be served.

We are asking all residents in the Town of Wilmington to make this a Happy Halloween for all on October 31, 1970.

Get your costume ready and join the fun!

Color guards from the veterans organizations, the swordsmen, and the members of the Fire Department will join our Parade.

POP WARNER FOOTBALL CHARGERS SWEEP THREE

The Chargers A eleven balanced its record at 3-3-1 with an excellent team effort Sunday whipping West Lynn 24-6 in a non-league encounter. In the preliminary bout, Coach Lawrenson's B squad ripped the younger Lancers 36-0 and are now 6-0-1 on the year. The C team won their sixth straight without a loss with a 28-12 win at Newton Steamers last Saturday morning.

Coach Barry's A squad were without the services of seven starters in their game, but the rest of the boys picked up the slack. Missing from the line up due to injuries were John Krszneckiewicz, Dana Mallarkey, Bob Peterson, John Dunn, Brian Anderson, and Dave Martin.

GIRL'S FIELD HOCKEY

The varsity is now 1-4-2 on the season following recent action. The girl's battled Chelmsford to a scoreless tie on October 22 and were shut out on Tuesday by No. And-over, 1-0 and have not scored a goal since its win over Methuen on October 13.

The top goal scorer for the varsity Sophomore Joani Bellissimo suffered a bruised elbow in the No. And-over game and it is not known whether she will be able to play in tomorrow's home encounter with Burlington.

FREE EXHIBIT OF THOUSANDS OF PAINTINGS AT BURLINGTON MALL

Thousands of paintings in every media will be exhibited by more than 110 professional artists in the Burlington Mall's Third Annual Holiday Art Show, scheduled for Thursday through Sunday, October 29-November 1.

Jinx Harris, show co-ordinator, has added glass cutting to the wide variety of media which includes: water color, oil, charcoal, pencil, batik, applique, cloisonne, metal, pasten and pen and ink.

Local artists will supply a collection of landscapes, seascapes, portraiture and still lifes as well as religious and European art, cartoon, velvet, wood painting and sculpturing. Modern as well as traditional and abstract will be shown.

Visitors will be able to talk to the various artists as they work and purchase paintings of their choice. Admission to all Mall events is free.

LOWELL GAS

THE SCHOOL BOARD WANTS A NEW HIGH SCHOOL ON:

The Fred Roberts Estate

The School Committee's Primary Choice for a new high school site once belonged to wealthy Candy Manufacturer Fred H. Roberts, a man believed to be the richest person ever to reside in Wilmington.

Roberts and his wife, Althera Clendennin, first moved to Wilmington in 1900 and bought a house on the north side of Burlington Avenue, possibly recently known as the Walker House. At that time, there were four other houses on that side of the street between the Roberts new home and Boutwell Street.

Two years after his wife's death in 1906, Roberts remarried, this time to his secretary Alice Albrink. It was about this time that he began plans for the construction of a new home.

Between 1908 and 1910, he bought up the four houses to the west of his own as well as all the land which totalled sixty acres. One of the four houses known as the Dowd House was torn down and the other three were moved across the street.

During this time, Roberts obtained the services of Dinny McLaughlin, a Woburn Stone Mason, to construct the house which when finished had six rooms on the first floor, five bedrooms on the second floor, as well as a third floor and a full cellar. Other buildings on the estate included a carriage house, windmill, hen house, pig house, and several new stone walls. Stones used in the construction of the house and buildings were gathered from the estate grounds.

A native of Berwick, Maine, Roberts died in 1920, at the age of 64, and was buried in Somersworth, New Hampshire.

He had three children by his second marriage.

LARGE SANDY AREA, CONTAINING ABOUT THREE ACRES, located near Burlington Avenue and Boutwell Street (marked sandy, on sketch) may be suitable for sewage disposal. It appears to be a deposit of lake sand.

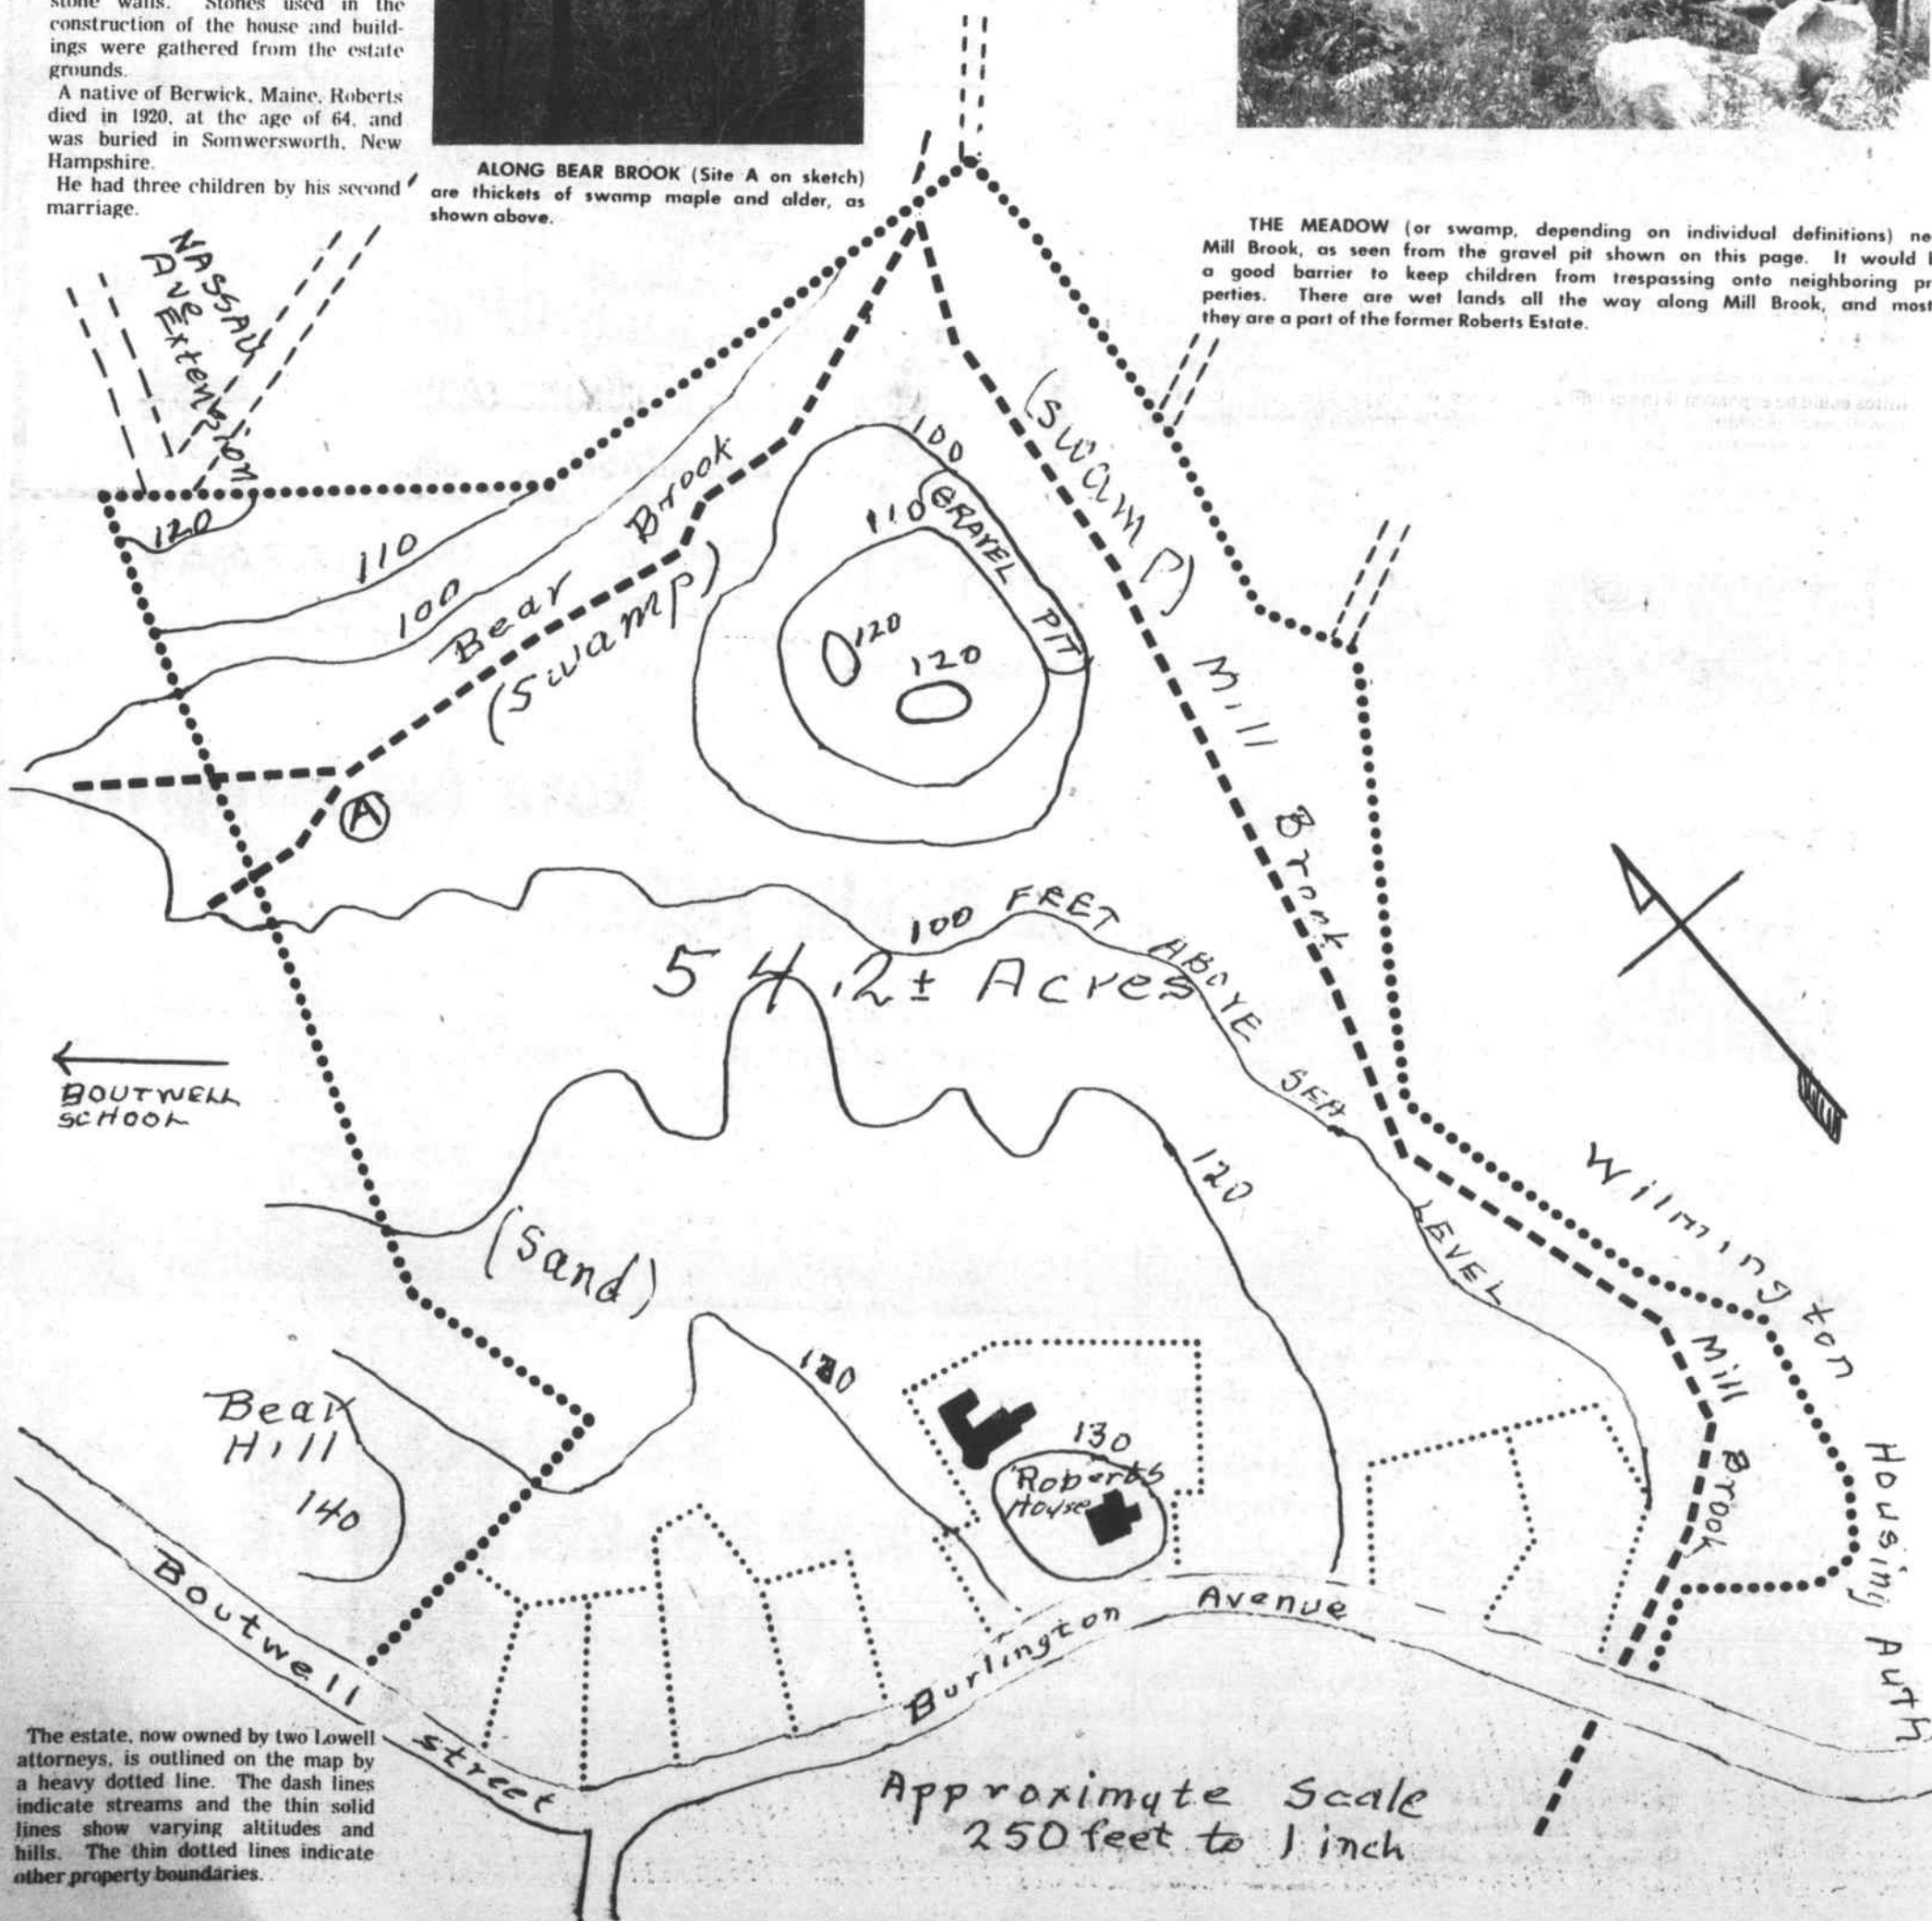

ALONG BEAR BROOK (Site A on sketch) are thickets of swamp maple and alder, as shown above.

OVER HALF OF ROBERTS ESTATE: Consists of rocky hilllocks, left by the glaciers. In some places gravel has been taken, leaving scenes like this, which overlooks Mill Brook (site B, on sketch)

THE MEADOW (or swamp, depending on individual definitions) near Mill Brook, as seen from the gravel pit shown on this page. It would be a good barrier to keep children from trespassing onto neighboring properties. There are wet lands all the way along Mill Brook, and mostly they are a part of the former Roberts Estate.

The estate, now owned by two Lowell attorneys, is outlined on the map by a heavy dotted line. The dash lines indicate streams and the thin solid lines show varying altitudes and hills. The thin dotted lines indicate other property boundaries.

PROF. ELIOT
(From Fr. Pg.)
by the School Committee and Planning Board through early 1970 and called for expanding the present high school grounds toward Wildwood Street, acquiring the Allen property for a South Intermediate School, adding to the existing land at the North Intermediate, Woburn Street and Wildwood Schools, and choosing sites for three more elementary schools.

An alternative to this recommendation first proposed by Mr. Miller was the construction of a new high school with intermediate schools becoming elementary schools. This is in essence what the School Committee now proposes under the name 'Total Building Program'.

Leans towards Allen property

In remarks to the Planning Board Prof. Eliot indicated that he still favors the so-called Allen property as the most feasible site for a new high school.

The report considers five basic problems pertinent to the construction of a high school in relation to the three sites. Paraphrased, these are: cost of land; size and characteristics of the land in relation to Open Spaces, Recreational areas, other schools and public lands; cost of site preparation; cost and method of sewerage disposal, and accessibility by roads presently existing or proposed.

Referring to the General Plan, Prof. Eliot's report describes two projects to be considered for expanding the grounds of the present high school.

The first of these in the minimum project which would add to the existing land by acquisition of the former Grange property toward Wildwood Street and land to the south which would connect with the Town-owned land in the brook valley.

'The Minimum project is essential... whether or not an addition to the existing high school is constructed or the present building is converted to an intermediate school,' reads the Consultant's report.

A 'Desirable' project for the high school would add the Grange property plus other lands toward Wildwood Street, which could be less expensive than filling in the brook valley.

Prof. Eliot notes that the present grounds total 17.27 acres, is centrally located and accessible by presently existing streets. Present sewerage facilities could be expanded if the building were to have an addition.

Next to be considered in the report is the Allen property which, as Prof. Eliot points out, is only a part of the proposed site which would include other parcels of land to the Gas Pipe Line.

Again there are Minimum and Desirable projects. The first would require 23 acres and the second would utilize 49.3 to 52.3 acres.

The desirable plan would include making use of wetlands in the Maple Meadow Brook area for Conservation Open Space and it would be advantageous,

the report notes, to acquire the property for both purposes at the same time.

The assessed value of the total number of land parcels is \$29,200, according to Prof. Eliot's figures. The Allen property's 19.3 acres are assessed at \$11,850, and the Town presently owns eight land parcels assessed at a total of \$3,600. Other area parcels make up the difference.

To make the site more readily accessible the report suggests widening Woburn Street, making use of Bay and Elm Streets, opening Alder Street and including a new subdivision street one block west of Woburn Street as a border street for the site.

Prof. Eliot says in the report that as a high school location, it would be 'convenient for a large majority of the present pupils...and for those expected to be living in Wilmington for many years to come.'

The report also refers to a soil survey at the site which showed 'hardpan' two and-a-half feet below the surface of the ground over much of the area. This prevents the inclusion of septic tanks but it would be possible to run a sewer line north from the Avco Plant to accommodate the area.

The last site in the report is the Roberts estate with 54.28 acres of which only 25 to 30 acres would be usable because of the 'swale' or marsh area and wetlands in the eastern part of the estate.

There is also a tributary to Mill Brook which runs across the northwest corner of the property. Referring to Soil Maps of the area, the report adds that there is 'deep muck' southeast of the highground in the northern portion of the estate.

The report goes on to say that the soils of the highground itself are classified as 'Millis Extremely Stony-fine Sandy Loam' which is good for foundation construction but poor on-site sewerage disposal.

During Prof. Eliot's presentation of the report to the Board, Mort Grant and Bill Hanlon added that they had personally inspected the highground of the estate some months ago and found it to be ledge.

They said a construction firm had tried to remove gravel from the knolls but had given up because 'the ledge was so hard the bulldozers couldn't cut it. The blades just went right up the side of the hill,' said Grant in reference to marks on the face of the slope.

Burlington Avenue would have to be widened or a parallel street included to handle increased traffic if a high school were built there. Other possibilities would be to extend Chestnut Street from Burlington Avenue to Grand Street along Mill Brook, or to extend Cedar Street across Mill Brook to Burlington Ave., with another street constructed to connect Burlington Ave. with Boutwell Street.

'These considerations of soils and future streets reduce the effective buildable area on the site to seven and

PROF. ELIOT
(Fr. Pg. 9)

one half acres on the knoll or oval and 11 acres between the swale and the possible future road parallel with Brulington Ave. If that road is not built the five acres at the western section of Burlington Avenue frontage would be added. Presumably the swale could be used for an athletic field if drainage and filling can be arranged," reads the report.

Prof. Eliot also says in the report that "The costs of site preparation and development may be relatively high because of the need to reclaim the muck area...and the difficulties which are predictable in disposal of sewerage."

While the report makes no recommendations as to what site should be used for a new high school, in closing Prof. Eliot suggests that additional land be acquired for school use at the high school, the North Intermediate, Woburn and Wildwood Schools, and for future elementary schools.

The report also emphasizes the inclusion of conservation areas in land acquisition for new schools.

"In addition it should be stressed," wrote Prof. Eliot, "that substantial savings in costs of land can be made through joint and concurrent action on School Sites and Conservation-Recreation-Open Space Areas. The Town should be particularly concerned to get all the held possible from State and Federal Grants for these projects."

Ed. Note: The Town Crier previously reported that Prof. Eliot had prepared figures to road construction for school sites. This report was in error.

CAIN GETS ANOTHER \$73000
TRANSFER COMMITMENT

Representative Fred F. Cain announced today that he has had a commitment for the transfer of \$73,000 from the Nichols Street Bridge surplus account to be re-allocated to Road Repairs on Nichols Street from Shawsheen Street to Fairmeadow Road, a distance of approximately 1700 feet.

The money will be allocated under Chapter 82, Section 11, a law that has not been used in the Commonwealth for over 30 years.

There is still outstanding against the Nichols Street Bridge Account, four suits by residents in land-taking cases, which should be settled this year.

Rep. Cain informs the Crier that he has supplied Town Manager Morris with the necessary papers for the Selectmen to request the transfer, as a courtesy, but that it is legal for five citizens to sign the request.

This request must be in the hands of the County Commissioners by Friday morning to be acted upon, as a public hearing must be advertised, and notices must be published, and the money, if not allocated by December 31, will automatically revert to the County.

The low bidder for the repairs to Nichols Street was Jackson Bros. with a bid of \$73,000. This \$73,000 grant to the Town amounts to about

65 cents on the Tax Rate.

Rep Cain reports that Wilmington will still have in unexpended legislative funds the sum of \$320,000 for use in 1971.

MORE ABOUT BORROWING
ON LIFE INSURANCE

When the past meets the future, they both admit that insurance is the best policy.

Speaking of borrowing on your life insurance policy, you can just about count on a loan equal to 94% to 95% of the cash value.

Cash values on your life insurance policies begin to accumulate in the second year in which the policy has been in existence. Each policy shows a schedule setting forth exactly how much you can borrow during the life of the coverage.

One of the outstanding features of borrowing on your life insurance policy is in the lack of

crimson tape. There is no fuss. Simply sign a non-complicated form and your check should be forthcoming in a few days.

WATCH NEXT WEEK FOR
Car Insurance Money Savers

We are aware of all types of insurance protection at the BENDER AGENCY, and we'll be happy to show you just what type of coverage will suit your needs and your budget best.

No matter what your insurance needs are, you can rely on THE BENDER AGENCY, 390 Main Street, phone 658-3640 or 944-7479. Open daily 8:30 till 5, Saturdays till noon. Open Thursday evenings till 9.

PEARL LORE

Much has been written about famous diamonds, rubies, emeralds, and sapphires. Some have histories of calamities that follow each owner. Pearls are also one of Nature's most exquisite creations, and some have fascinating stories.

The LaPellegrina was considered the most beautiful of all pearls. Jewel lore says it originated in the Indian Ocean. It was pear-shaped, and weighed approximately 111 pearl grams. (A pearl gram is 1/4 carat). Its white color was lustrous perfection.

The largest pearl found measured nearly two inches in length. Its circumference was nearly four inches. It weighed about three ounces. It was a giant to pearl experts.

There seems to be no definite statement as to the present whereabouts of either. Are you perchance the lucky collector?

SELECTMEN'S MEETING

posed service garage on Ballardvale Street.

They explained that the garage would be used only for the repair and maintenance of Buckley-owned vehicles in conjunction with Service Warehouses. The warehouse itself was licensed two years ago.

Selectman Miceu moved that the application for a garage be approved with the stipulation that the building could not become a truck terminal, and the motion passed unanimously.

A second application by the same petitioners on storing underground fuels and oil will be heard at the next meeting.

An application by Charles River Cablevision for a permit to install a cable television system in Wilmington was taken under advisement by the Board.

The system would utilize a receiving tower 150 to 350 feet high and cables not larger than a telephone line strung along existing public utility poles to bring the signal into each home that applied for it. Because of other such applications, the Board voted to take the matter under consideration pending further investigation.

Also taken under consideration was an amended application by Hudson Bus Lines for a permit to operate a shuttle service from Wilmington to Logan Airport.

SCHOOL COMMITTEE

(From Front Page)

ussets Teachers Association if the letter represented a grievance under the present contract.

Kay Barry answered that it was not at the present time. Miss Barry then requested that the School Committee go into executive session. The reason she gave was this would enable the WTA to present their package to the School Committee for collective bargaining.

McNamara suggested that since the letter had been read in open session, the negotiations for the evening should also be in open session.

After a lengthy discussion, a compromise was reached for the meeting. The ground rules for collective bargaining sessions would be held in open meeting, but the package would be received later in executive session.

It also took considerable time and much discussion to arrive at the ground rules to be followed in the future for collective bargaining. At one point the negotiator requested time to confer in another room, with the members of the WTA to discuss a point.

While the WTA was retired in conference, the School Committee attempted to continue with other items on the agenda.

They agreed that the position of Director of Special Education would be posted as an acting position.

George Hesse, newly appointed principal of the Glen Road School approached the School Committee to discuss his plans for that school. He did not

get to give his presentation at this time as the WTA returned to continue their meeting with the School Committee. He did present his views later in the evening.

After having conferred with the members of the WTA the ground rules basically were that negotiations for collective bargaining would be held in executive session. The negotiators reserved the right to verbalize with their constituency. (the WTA).

This point was discussed at some length, as Chairman of the School Committee, John Brooks explained that his constituency, the general public paid the bills and should have knowledge of the proceedings. An agreement was reached that both the School Committee and the Teacher's Association would issue joint statements.

An executive session was called to allow the WTA to present their package for collective bargaining.

George Hesse, Principal of the Glen Road School and Joanne Meyers, Principal of the Shawsheen Elementary School, met with the School Committee, after the executive session to outline future plans for their schools.

COLLEGE NIGHT AT HIGH SCHOOL

College Night, sponsored by the High School National Honor Society will be held on Wednesday, November 18, 1970. The representatives of various schools and colleges will be available to the students.

The proposed amendment to the Constitution amends the existing constitutional provisions which direct the division of the Commonwealth into 240 representative districts and 40 senatorial districts. It provides for a census of the inhabitants of each city and town in the Commonwealth in the year 1971 and in every tenth year thereafter. The census in 1971 is to be the basis for determining the representative and senatorial districts for the ten-year period beginning January 1, 1975. Each subsequent census shall be the basis for determining the districts for each ten-year period beginning the fourth January following each census, so that the census in 1981 will determine the districts as of January, 1985, etc.

The amendment provides that the house of representatives shall consist of two hundred and forty members and the senate of forty members. In its first regular session following each census, the Legislature shall divide the Commonwealth into two hundred and forty representative districts of contiguous territory and forty senatorial districts also of contiguous territory. Each representative district shall contain, as nearly as may be, an equal number of inhabitants according to the census. Each senatorial district shall also contain as nearly as may be an equal number of inhabitants according to the census. A representative district shall not unite two or more counties, towns, or cities, or parts thereof, or a city and a town, or parts thereof, in one district unless the same is unavoidable. Further, no town of less than six thousand inhabitants shall be divided in forming representative districts. It is also provided that the County of Dukes County and Nantucket County shall each be a representative district, notwithstanding the foregoing. The senatorial districts, each of which shall elect one Senator, shall be formed without uniting two counties or parts of two or more counties, unless the same is unavoidable.

Each representative shall be an inhabitant of the district for which he is chosen at least one year immediately preceding his election, and each senator shall be an inhabitant of the district for which he is chosen at the time of his election and shall have been an inhabitant of the Commonwealth for at least five years immediately preceding his election. Any representative or senator who ceases to be an inhabitant of the Commonwealth shall cease to represent his district.

The amendment also provides that the Legislature (1) may by law limit the time within which judicial proceedings may be instituted calling in question any such division and (2) shall prescribe by law the manner of calling and conducting elections for the choice of representatives and of ascertaining their election.

Finally, the amendment annuls the existing constitutional provisions with respect to apportionment of representative and senatorial districts, although those provisions will remain in effect until January 1, 1975.

QUESTION NO. 5

MULTIPLE CHOICE QUESTION.

Which one of the following do you prefer with reference to the future course of action by the United States in Vietnam?

To vote on this question mark a cross X in the square at the right of the subdivision you prefer. DO NOT VOTE FOR MORE THAN ONE.

A. Win a military victory.	<input type="checkbox"/>
B. Withdraw our armed forces in accordance with a planned schedule.	<input type="checkbox"/>
C. Withdraw all our armed forces immediately.	<input type="checkbox"/>

**OPERATION MAINSTREAM
APPROVED**

Secretary of Labor Hodgson announced approval of two Operation Mainstream Projects in Maine and Massachusetts to open 86 job opportunities to jobless adults.

It pays needy people to do work that improve the communities where they live. Its goal is steady work at decent pay for chronically unemployed adults of all ages, but most participants are 45 or over. Through Operation Mainstream, older people who once faced a bleak future have found meaningful work and better lives. Detailed information on the project is that Community and Regional Opportunity Program at 16 School Street in Chicopee, Mass has \$190,000 to train 50 people and in Bangor Maine Penobscot County Committee for Community Action Inc at 611 Hammond St has \$373,000 to train 36 people.

THE CONGREGATIONAL CHURCH
Minister: Rev., H. Allen Tadgell, Jr.

FLAG FOOTBALL

STANDINGS

Miceli Club	5 - 2
Charles River	3 - 3
Merchants	3 - 3
Sweetheart Plastics	2 - 5

The Miceli Club moved into undis-
puted possession of first place with
its 38-26 win over Sweetheart on
Tuesday night to highlight the weeks
action at the Town Park.

Bill Walls fired 6 touchdowns passes
to pace the league leaders. Fran
McLaughlin was on the receiving end
of the passes for four scores and
Jim Cushing caught the other pair.

McLaughlin set a new league record
with fifteen flags, seven of which
came in the final period. Ken Brown
led the Sweetheart attack with 3
TD passes and a 15 yard run for
another six pointer.

A week ago tonight the Plastic
team edged the Merchants 28-26
in a hard fought contest which was
not decided until late in the final
stanza with a safety being the decid-
ing factor. The winning two points
came when Len Gustus the Merchants
quarterback stepped out of the end
zone attempting to pass. Jack Flor-
ence and Ed Doherty ran kickoffs
back fro touchdowns to highlight
the Sweetheart triumph.

GAMES NEXT AT TOWN PARK:
Tonight: Charles River vs Merchants
at 7 pm. Tuesday: Charles River
vs Sweetheart at 7 pm

How to make income property produce less income.

All it takes is the urge to
manage the property yourself,
with no experience.

If you don't know all the ins
and outs, you may watch profit
drain away without knowing it
—or how to stop it.

A better idea is to let one of
our professionals manage your
property. We're Realtors.
Specialists in handling other
people's property.

We'll see to it that every-
thing is operated in an efficient
manner. We'll get you reliable
tenants. And keep them for you.

And all the time you'll know
we're working in your best inter-
ests, because we're pledged to a
strict code of ethics. If we
weren't, we couldn't be Realtors.

That's nice to keep
in mind. Especially
when we're minding
your money.

Your Realtor®

Somebody good to
have working for you.

NOSEY NANCY

(From Page 10)

mite is 75 years young and can put this chick to shame energy-wise....Hear that after the do on Saturday nite, she had such a good time that she never got home until Sunday at 5....and that is in the afternoon we're talking about....then, she says 'We all waited for you....You should have been with us!' This Chick assured her that she would have really just loved to be along, but couldn't afford to have her reputation at stake by being gone for the 24 hours....Man, this

Gal is certainly looking forward to the 75th birthday...and then she might not have all those tall lads at home, saying 'What time you going to be in, Ma....or don't be too late now, will ya!....(But she loves it....their concern....and wouldn't have them any other way....She's flattered that they really care about what she does and where she goes and with whom she is spending her time....Thanks, Sons!

So, now on Halloween there'll be about 1200 kids out Collecting for UNICEF....so remember them when they come to the door and have your change ready....

Then don't forget to dress yourselves up for the HORRIBLES Parade....It starts at the Police Station at 6:30 pm and goes to the Tennis Courts where there will be prizes for the best costumes and refreshments.

That's the Place and the Hour for Halloween Night.

Hey, Kids, when you finish with the Horribles Parade, there will be more fun at the Congregational Church where the Coffee House is holding a Halloween Party for any children from 7 to 9 pm. All kids are invited no matter what church you attend and may this Chick congratulate the young folk with the Coffee House that they have given of themselves for this project....That's the way there, you folk....Community interest and spirit is what it's all about.

Then, tonight is your chance...the Shawsheen Elementary School students and faculty have invited you down to see their new building

and displays of which we are all very proud....Tonight at 7:00 pm is the time....So....let's go and see what the group is doing.

Now, your goodies at Grant's in the Plaza at 10 am on Saturday... Boy Scouts of Troop 63 are holding a cake sale there that day....So, don't forget, Ma, when you're out doing your errands on Saturday take home a goodie and help the boys....Thanks!

Then if your really want to make it big on Halloween, there'll be a \$25 per plate dinner for the GOP candidates starting at 7 pm at the Boston Statler Hilton....and there will be John Volpe before he takes off for a NATO conference on Oil Spills in Brussels, and HEW Sec Eliot Richardson, and Senator Edward Brooke. This will be the final Republican fund raising effort of this year and the entire slate will be on hand....So, there you go!

Did you know that Robin Sullivan, the daughter of Tom and Mrs Sullivan of Dartmouth Ave is competing in the American Quarter Horse Congress this week in Columbus Ohio....Lots of luck, Robin!

Walter Pierce, Supt., wrote a lovely note to Fran Gray, the representative of the Italian Culture Committee for the Grand Lodge of the Sons of Italy saying that 73 students were interested in taking the Italian Language and it would be offered in January to begin in September 1971....That it was too late this year and with the crowded conditions to offer it was impossible.

Does your car have a first aid kit?

If so, is it up to date, are the supplies in it ready to be used immediately?

Of course, no first aid kit can carry all the items it might possibly need, but the kit will be most useful if it contains compresses for bleeding, bandages, a disinfectant, an ointment for burns, and an ample supply of aspirin. Put a first aid manual in your kit as well.

Remember, the most likely possible injuries will be cuts, fractures, concussions, burns, and shock—not pleasant to think about, but well to be prepared for.

And if anyone in your family is on special prescription, be sure you have the prescription handy!

There are medical supplies available at SILVER LAKE PHARMACY, 52 Main St., Tel., 658 4617. All of the newly developed drug stocked here. Greeting Cards, Clairol Cosmetics, Whitman and Candy Cupboard Candies. Open 9-10 EVERY day.

HELPFUL HINT: Wind yarn around a few moth balls if it will be some time before you use it—it's a good safeguard against moths.

We carry a complete line of Vitamins

TO THE VOTERS OF THIS TOWN

EXPERIENCE IS THE BEST TEACHER.

AS YOU KNOW, IN PAST AND PRESENT ELECTION, I HAVE ALWAYS CONDUCTED AN HONEST, FAIR AND AGGRESSIVE CAMPAIGN. THAT IS THE REASON I AM PROUD TO NUMBER SOME OF MY PAST POLITICAL OPPONENTS AS MY SUPPORTERS IN THIS ELECTION.

MY OPPONENT, POSSIBLY OUT OF A SENSE OF COMPLETE FRUSTATION, OR JUST PLAIN DESPERATION, HAS CHOSEN TO TAKE THE LOW ROAD DURING THE LAST WEEK OF THE CAMPAIGN.

IN A LETTER TO MYSELF AND THE NEWSPAPERS DATED OCTOBER 26, HE SAYS THAT HE WILL BRING CHARGES AGAINST ME UNLESS I RETRACT WHAT I HAVE SAID IN MY ADVERTISEMENT ON OCTOBER 22, 1970.

HE CANNOT INTIMIDATE ME INTO TAKING THIS ACTION BECAUSE HE KNOWS EVERYTHING I HAVE SAID IS THE COMPLETE TRUTH AND CAN BE SUBSTANTIATED.

SO, THEREFORE, I CHALLENGE MY OPPONENT TO INITIATE THIS ACTION WHENEVER HE CHOOSES TO DO SO.

/S/JAMES R. MICELI

Burns on furniture can often be removed with powdered pumice stone. Cover a small wooden block with a piece of felt, which has been dipped in water and squeezed almost dry.. Sprinkle pumice over the burned area and rub carefully. If the area is very small, wrap the felt around your finger rather than a block.. After the burn mark has been rubbed out, rub again with powdered rottenstone to remove scratch marks and restore the polish. Allow to dry overnight, clean off the powder and touch up with shellac. Finish by applying wax or polish to the dry patch.

If you still have outside jobs to finish-windows to chalk-doors to weather-strip. Don't wait much longer, stop by A.B. SWEZEY, INC., 615 Main St., 658-2051.. We have most of the supplies homeowners need for their repairs. Have you visited our new addition yet?-see the many new items we've added to our stock. Hours: 8:00 a.m. -5:00 p.m., daily, 8:00-9:00 Fridays. Combination Wood or Aluminum Doors and Windows.

HELPFUL HINT: White scratches in dark furniture can be touched up with iodine on a toothpick or thin brush. Lighten with alcohol if necessary. Then polish when dry.

TOWN OF WILMINGTON

PLANNING BOARD
PUBLIC HEARING

MORTGAGEE'S SALE OF REAL ESTATE
By virtue of and in execution of the power of sale contained in a certain mortgage given by Kenneth D. Fowler and Karen A. Fowler, husband and wife, as tenants by the entirety, both of Wilmington, Middlesex County, Massachusetts, to the Essex Broadway Savings Bank, a corporation duly established under the laws of the Commonwealth of Massachusetts, having its usual place of business at Lawrence, Essex County in said Commonwealth, dated May 15, 1968, recorded with Middlesex North District Registry of Deeds, Book 1843, Page 327, of which mortgage the undersigned is the present holder, for breach of the conditions contained in said mortgage and for the purpose of foreclosing the same will be sold at PUBLIC AUCTION, ON THE PREMISES NO. 8 FAIRMEADOW ROAD, WILMINGTON, MASSACHUSETTS, ON TUESDAY, NOVEMBER 17, 1970, AT TWO FIFTEEN O'CLOCK, P. M., all and singular, the premises described in said mortgage, to wit:

A certain parcel of land, with the buildings thereon, situated in Wilmington, Middlesex County, Massachusetts, and being shown as Lot No. 70, on a plan of land entitled, "Akins Grove Park, Wilmington, Mass. owned and developed by John D. Cooke, April, 1952, H. Kingman Abbott, Registered Surveyor, Reading", said plan being recorded in Middlesex North District Registry of Deeds, Plan Book 81, Plan 186, said lot being more particularly bounded and described as follows:

NORTHEASTERLY by Fairmeadow Road, as shown on said plan, 100 feet; SOUTHEASTERLY by Lot 71, as shown on said plan, 192.58 feet; SOUTHWESTERLY by land of the Boston and Maine Railroad, 100.91 feet; and NORTHWESTERLY by Lot No. 69, as shown on said plan, 206.53 feet. Containing according to said plan, 19,975 square feet.

Said premises will be sold subject to and with benefit of grant to the New England Telephone and Telegraph Co., recorded with said Deeds in Book 1198, Page 233, dated June 9, 1952.

Said premises will also be sold subject to any and all unpaid taxes and other municipal assessments and liens.
One Thousand Dollars will be required to be paid in cash by the purchaser at the time and place of the sale. Other terms will be announced at the sale.

A public hearing will be held in the Town House (former Mildred H. Rogers School) on Grove Avenue at 8:00 p.m. November 5, 1970, on certain articles to appear in the Warrant for the next Special Town Meeting. The articles will be discussed in the following order.

ARTICLE - To see if the Town will vote to amend Section I-2 of the Zoning By-law by the addition of the following, or do anything else in relation thereto:

7. High Density Traffic Business Districts (HDTB)

ARTICLE - To see if the Town will vote to amend Section II Definitions of the Zoning By-law by the addition of the following, or do anything else in relation thereto:

13. Drive-in Restaurant. A restaurant or eating place in which food and/or beverages are served to persons for consumption in automobiles or other vehicles, regardless of whether such service is exclusive or in addition to indoor service.

ARTICLE - To see if the Town will vote to amend Section III of the Zoning By-law by the addition of the following, or do anything else in relation thereto:

5. Uses in High Density Traffic Business Districts.

A. In a High Density Traffic Business District, the following uses are hereby permitted.

1. Restaurant or other place for the sale and consumption on the premises of food or non-alcoholic beverages, provided that no dancing is permitted and no entertainment is furnished.

2. Commercial parking lot or parking garage; filling or service station and any accessory use thereof; salesroom for new automobiles; open lot parking or sale of new or used automobiles when operated in connection with, and on the same site as, such a salesroom; salesroom for boats, trailers, trucks, farm implements or farm machinery.

3. Indoor amusement or recreation place or place of assembly, provided that the building is so insulated and maintained as to confine noise to the premises.

4. Showroom, provided that storage is limited to floor samples.

5. Any business for the sale of unused merchandise at retail on the premises, including the sale of furniture and other bulk items.

6. Hotel or motel, subject to the following conditions.

a. For the purpose of this by-law, a motel shall be defined as a structure or structures containing sleeping rooms or one or more rooms attached to each other, and intended to be rented for brief periods of time for the accommodation of travelers or tourists, with a public restaurant as an accessory use attached.

b. The minimum lot size shall be 120,000 square feet, having a minimum frontage of 300 feet along a public way of the Town. The gross ground floor area of all buildings, including covered walkways and carports, shall not exceed forty (40) per cent of the gross of the lot; and shall connect with a municipal sanitary sewer.

c. Any structure used for said purpose shall not exceed two and one half (2½) stories or thirty-eight (38) feet in height, but shall be constructed in accordance with the standards specified in the Town Building By-Law in Division No. 2 DEFINITIONS for "First-Class Building". The living floor area shall be no less than 20,000 square feet and shall include no less than fifty (50) sleeping units and public restaurant with a seating capacity of not less than (100) persons. No sleeping room shall be located below the mean finished grade of the ground adjoining the building, and no sleeping unit shall contain cooking facilities.

d. Front Yard - No motel shall be permitted within one hundred (100) feet of the sideline of each street on which the lot abuts. Side Yard - There shall be provided side yards of not less than fifty (50) feet in width, which may include a driveway; Rear Yard - There shall be provided a

rear yard of not less than fifty (50) feet; with the exception that no said structure shall be built within one hundred and fifty (150) feet of any dwelling which is in existence, or under construction, at the time of construction of the aforementioned uses.

e. Accessory uses shall include, but not be limited to, restaurant, function rooms, news stands, cigar stores, drug stores, barber or beauty shops, and gift shops which may be conducted for the convenience of the occupants of the motel, provided there is no entrance to such place of business except from the inside of the building, and further provided, there shall be no exterior advertising display for such accessory uses except on the sign which advertises the principal use of the lot.

f. There shall be parking space for automobiles provided on the lot sufficient to furnish one (1) reasonably accessible automobile space, exclusive of circulation area, for each guest sleeping room in the building(s), plus parking spaces as provided for in Schedule IV-3 Off-Street Parking of this By-Law for a restaurant and meeting rooms on the premises.

B. In a High Density Traffic Business District, the following uses are permitted as authorized on appeal by the Board of Appeals and as specified in Section VIII - 2 B hereinafter.

1. Repair garage for vehicles in use, excluding junk storage or salvage operations, provided that such use will not interfere with the safety of vehicular and pedestrian movement in the vicinity, and that the building is so insulated and maintained as to confine noise to the premises.

a. Open lot for parking or sale of used automobiles not operated in connection with a salesroom for new automobiles.

2. Drive-in restaurant or eating place

3. Restaurant or other place for the sale and consumption on the premises of food or non-alcoholic beverages.

ARTICLE - To see if the Town will vote to amend Section VIII-2 Appeal B. 1. i. of the Zoning By-Law by inserting the numerals and letter "III-5 B" immediately following "III-4 B", so that the first sentence reads as follows; or do anything in relation thereto.

i. Authorize uses under Sections III-1B, III-2B, III-3B, III-4B and III-5B, as specified therein, after a report thereon from the Town Planning Board.

ARTICLE - To see if the Town will vote to amend Section V Height, Area and Yard requirements of the Zoning By-law by the addition of the following new requirements; or do anything else in relation thereto.

District High Density Traffic Business; Minimum Lot Area for Use Permitted without Appeal - 40,000 sq. ft.; Minimum Lot Area for Use Permitted on Appeal - 40,000 sq. ft.; Minimum Lot Frontage for Use permitted without appeal - 200 ft.; Minimum Lot Frontage for use permitted on Appeal - 200 ft.; Maximum Height - 2½ stories or 38 ft.; Minimum Set-back from Center Line of Street - 60 ft.; Minimum Front Yard Depth - 50 ft.; Minimum Width for each Side Yard - 25 ft.; Minimum Rear Yard Depth - 60 ft.; Minimum Lot Depth - 200 ft.; Maximum Lot Coverage for Buildings or Structures - 25%.

ARTICLE - To see if the Town will vote to amend Section III-1. Uses in Rural, Single Residence A and Single Residence B Districts on the Zoning By-law by the deletion of the following; or do anything else in relation thereto.

B. 5. Clubhouse, lodge, or other non-profit recreational, social, educational or civic use operated for members, excluding out-door use of fire-arms.

ARTICLE - To see if the Town will vote to amend Section III-2 Uses in Neighborhood Business Districts of the Zoning By-law by the deletion of the following, or do anything else in relation thereto.

A. 4. Restaurant or other place for the sale and consumption on the premises of food or non-alcoholic beverages, provided that no dancing is permitted and no entertainment is furnished.

ARTICLE - To see if the Town will vote to amend Section III-3 Uses in General Business Districts of the Zoning By-law by the deletion of the following, or do anything else in relation thereto.

A. 3. Hotel, Motel subject to the fol-

lowing conditions, which shall apply to motels only:

a. For the purpose of this by-law, a motel shall be defined as a structure or structures, containing sleeping rooms of one or more rooms attached to each other, and intended to be rented for brief periods of time for the accommodation of travelers or tourists, with a public restaurant as an accessory use attached.

b. The minimum lot size shall be 120,000 square feet, having a minimum frontage of 300 feet along a public way of the Town. The gross ground floor area of all buildings, including covered walkways and carports, shall not exceed forty (40) per cent of the gross of the lot; and shall connect with a municipal sanitary sewer.

c. Any structure used for said purpose shall not exceed two and one half (2½) stories or thirty-eight (38) feet in height, but shall be constructed in accordance with the standards specified in the Town Building By-Law in Division No. 2 DEFINITIONS for "First-Class Building". The living floor area shall be no less than 20,000 square feet and shall include no less than fifty (50) sleeping units and public restaurant with a seating capacity of not less than (100) one hundred persons. No sleeping room shall be located below the mean finished grade of the ground adjoining the building, and no sleeping unit shall contain cooking facilities.

d. Front yard - No motel shall be permitted within one hundred (100) feet of the sideline of each street on which the lot abuts. Side Yard - There shall be provided side yards of not less than fifty (50) feet in width, which may include a driveway; Rear Yard - There shall be provided a rear yard of not less than fifty (50) feet; with the exception that no structure shall be built within one hundred and fifty (150) feet of any dwelling which is in existence, or under construction, at the time of construction of the aforementioned uses.

e. Accessory uses shall include, but not be limited to, restaurant, function rooms, news stands, cigar stores, drug stores, barber or beauty shops, and gift shops which may be conducted for the convenience of the occupants of the motel, provided there is no entrance to such place of business except from the inside of the building, and further provided, there shall be no exterior advertising display for such accessory uses except on the sign which advertises the principal use of the lot.

f. There shall be parking space for automobiles provided on the lot sufficient to furnish one (1) reasonably accessible automobile space, exclusive of circulation area, for each guest sleeping room in the building(s), plus parking spaces as provided for in Schedule IV-3 Off-Street Parking of this By-Law for a restaurant and meeting rooms on the premises.

5. Any business for the sale of unused merchandise at retail on the premises, including the sale of furniture and other bulk items.

6. Restaurant or other place for the sale and consumption on the premises of food or non-alcoholic beverages.

13. Commercial parking lot or parking garage; filling or service station, salesroom for new automobiles, open lot for parking or sale of new or used automobiles when operated in connection with, and on the same site as, such a salesroom; salesroom for boats, trailers, trucks, farm implements or farm machinery.

14. Indoor amusement or recreation place or place of assembly provided that the building is so insulated and maintained as to confine noise to the premises.

15. Showroom, provided that storage is limited to floor samples.

B. 3. Repair garage for vehicles in use, excluding junk storage or salvage operations, provided that such use will not interfere with the safety of vehicular and pedestrian movement in the vicinity, and that the building is so insulated and maintained as to confine noise to the premises.

ARTICLE - To see if the Town will vote to amend Section III-4. Uses in Industrial Districts of the Zoning By-law by the deletion of the following, or do anything in relation thereto.

A. 3. Repair garage for vehicles in use excluding junk storage or salvage operations.

operations.

ARTICLE - To see if the Town will vote to amend Section IV-4. Screening of Open Uses of the Zoning By-law by the addition of the words "High Density Traffic Business District" immediately following the words "Industrial District" in the first sentence; so that the provisions of this section will apply to High Density Traffic Business Districts; or do anything in relation thereto.

ARTICLE - To see if the Town will vote to amend Section V-4 C. of the Zoning By-law by the addition of the words "High Density Traffic Business District" immediately following the words "Industrial District", so that the provisions of this section will apply to High Density Traffic Business Districts; or do anything else in relation thereto.

ARTICLE - To see if the Town will vote to amend Section III-3.B. 2 of the Zoning By-Law by the addition of the words "other than a dwelling", immediately following the words "Any other use", so that the sentence reads as follows:

"2. Any other use, other than a dwelling, permitted on appeal in a Neighborhood Business District, as permitted therein, and not specifically enumerated in Section III-3A." or do anything else in relation thereto.

ARTICLE - To see if the Town will vote to amend the Zoning By-Law and Map of the Town of Wilmington by voting to rezone from Single Residence A District to General Business, the following described parcel of land, to wit:

Being the land of Felice Grossi and Lucille Grossi designated as lot 1, 2, 3, 4, 5, 6, 7, 21, 22, 23 and 24 on a plan entitled "Plan of Land in Woburn and Wilmington, Mass., dated November 1962, H. C. Buttrick, Registered Land Surveyor, Reading, Mass., being further bounded and described as follows: NORTHERLY on Main Street beginning at the Wilmington-Woburn line, 144.4 feet. EASTERLY by Florence Avenue 350 feet, thence the line turns abruptly in a SOUTHERLY way to other land of petitioners located in Woburn 400 feet. Containing 23,000 square feet of land more or less. Request of petitioners.

NOSEY NANCY
(From Pg. 17)
thing annoys them so much. And you'll feel better too! (That last is NN remark.)

Now, tonight dinner at Rolling Green with the School Evaluating Team and then another do tomorrow night and Thursday the Evaluation Report...and Friday Ron MacKenzie here to

visit all of the plants...with John Harvey escorting him...and having stuck our tongue to death on his fliers...and typed our fingers off on the labels...by Saturday we should have two x's for eyes at least...So...

Now, remember the American Automobile Association is urging you and this gal adds her plea to be very careful when you drive on Saturday...It's Halloween...and 'It's

up to you as a driver to watch out for these tiny witches and goblins. They will be excited as they are out trick or treating and some will be wearing masks which limit their vision...and to you Mas and Pas Have your kids wear or carry something white, please...Remind them to look before crossing the street and not to cross from behind a parked car...PLEEZE...WATCH OUT....

It's a fact.

The new anti-pollution 'Watchdog' XC oil burner can cut your heating costs.

The new Esso Watchdog® XC (Extra Comfort) Oil Burner actually delivers hotter heat from less fuel, starts saving you money from the day it's installed. A new kind of flame retention head allows for much more complete combustion. Keeps your home luxuriously warm, yet uses less fuel to do it.

And that's not all. Because of its high combustion efficiency, the new "Watchdog" XC is an anti-pollution oil burner. When properly installed and adjusted, it is absolutely smokeless.

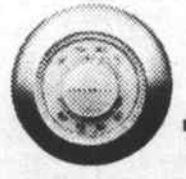

\$99
plus installation

Unconditional guarantee of satisfaction.

Humble unconditionally guarantees the performance of the new Esso "Watchdog" XC Oil Burner. If you are not completely satisfied with your new "Watchdog" Burner after 12 months, and you notify Humble in writing within 30 days following this 12-month period, we will remove the new burner, reinstall your old equipment, and refund the purchase price or that portion paid to date of removal.

For complete information, without obligation, call your local Humble office, or clip and mail the coupon today.
